

## MISSION

Our mission is to provide a caring, compassionate place for those faced with mental challenges who can feel a sense of belonging in an environment that will ...

- build self-confidence
- build self-worth
- build self-motivation
- provide social connectedness
- provide a meaningful occupation of time
- provide the opportunity to learn new skills

The Committee (Narelle, Robyn, Marlene, Vivian & Vikki) spent a lovely afternoon visiting Sunshine Butterflies.

Located at Cooroibah, they support individuals & their families living with a disability by operating projects such as *"Our Backyard"* (home to numerous friendly farm animals), *"Rockability"* (enjoy & create music) and *"Chippy's Corner"* (design, create & construct wood products).

We all learn such a lot by networking with other charities and attending Forums, Workshops & Information Sessions.

It also strengthens our resolve for our own project, focussing on mental health rather than a broader range of disabilities.

We think our new donation boxes are pretty eye-catching!

Hopefully, you won't miss them when attending our meetings

Success is a journey, not a destination. (Arthur Ashe)

That certainly is true with Naradell! Our latest success is that we are now a registered Charity with ACNC (Australian Charities and Not-for-profits Commission) and we have ATO endorsement with DGR status. This means donations are tax deductible.

Whilst we may pause to clap our hands and bang our drums with that achievement, we continue on our journey to provide more support and build a better life for those living with a mental illness and their carers, family & significant others.
